# UNICHAIRS

Since 1995 Unichairs has offered an extensive collection of hospitality furniture & seating in both contemporary and classic designs, styled and manufactured specifically for the contract market offering unique designs along with comfort, quality and most importantly durability. All of our products are made from quality materials and finished in-house by an experienced team of crafts people taking extra pride in orders large and small. Unichairs holds thousands of chairs and barstools in stock at all times. Our selection of styles are specified for hotels, resorts, restaurants, casinos, and night clubs worldwide and can be customized with your choice of stain finish and upholstery. Our manufacturing facilities host a full service wood finishing line with high-tech, state of the art staining and lacquering, our assembly, finishing and upholstery is carried out to the highest specifications. Your choices are not limited as we can also build to specification custom designs to suit your décor and vision.
